Fort Collins Foodie Walk

On the third Friday of every month from 5-8 p.m., this FREE self-guided walking tour celebrates the culinary culture and thriving foodie scene in Downtown Fort Collins. <https://downtownfortcollins.com/experience/itineraries/fort-collins-foodie-walk/>

First Friday Art Walk

On the first Friday of every month from 6-9 p.m., enjoy this FREE self-guided walking tour that celebrates creativity and culture in Downtown Fort Collins. <https://downtownfortcollins.com/experience/itineraries/first-friday-art-walk/>

Class of 2023 (Current LIC): With a second shelf exam successfully under their belts, this group of students will be focusing the remainder of their course on clinical clerkships and studying for their remaining three shelf exams, service learning project, CHAP project and end-of-year presentations.

Class of 2024 (Hybrid LIC): This group of eight LIC students completed orientation during the week of January 10 and began clinic clerkships on January 17. The class is pictured below (Shea Shipton was not available for the picture).

FCB Hosts Prospective Students

Upcoming Second Look Days for accepted applicants to the branch are scheduled for Thursdays, Feb. 10, March 17, and April 7 with events at AMC the day after on Fridays. Current FCB students (First Years) will have the opportunity to join the prospective students for lunch and/or. Students will be receiving details via email on these events. Thank you to all students who take the time to meet these accepted applicants.

In the News at CSU

Marshall Fire Assistance: CSU has resources available for the community members impacted by the Marshall Fire in Boulder County. Ram Aid for students in need and CSU Cares to benefit employees in need are resources available to members of the CSU community who have been impacted.

Third Annual International Symposium

The 3rd Annual International Symposium will be Feb 15-17 and will offer both in-person sessions at the Lory Student Center as well as a variety of virtual Zoom sessions. The International Symposium highlights the ways CSU undergraduate and graduate students, faculty, staff and partners add global dimensions to their teaching and learning, research, scholarship, and community engagement. Presented by the International Programs department. Sessions are free and open to the public. Registration is required. <https://international.colostate.edu/symposium/>

College of Health and Human Sciences Research Day

On March 1, 2022, in Lory Student Center Grand Ballroom from 9 a.m. to 4 p.m., the College of Health and Human Sciences will host this annual event created to showcase the variety and quality of research and creative scholarship by students, faculty, and staff in the CHHS. Research categories include applied science, basic science, clinical science, community engagement, creative scholarship, equity and social justice, public health, and science of teaching and learning. The keynote speaker for the event is Rebecca E. Hasson, Ph.D., FACSM. She is an Associate Professor in the School of Kinesiology, Director of the Childhood Disparities Research Laboratory, and Director of Active Schools and Communities at the University of Michigan. For the full schedule and additional details about CHHS Research Day, please visit <https://www.chhs.colostate.edu/research-and-scholarship/chhs-research-day/>.

CUSOM Fort Collins Branch Staff Spotlight

Maia Brown
Plains Coordinator
CUSOM – Fort Collins Branch

Maia Brown joined the CUSOM, Fort Collins Branch as the Plains Year Coordinator in July of 2021. Prior to moving to Fort Collins, she has lived in Los Angeles, Chicago, Boulder and the Twin Cities. She earned her Bachelor of Arts degree in history and education from St. Olaf College and an MA in history from the University of Chicago. Her professional background includes work with mentoring organizations and ESL/ELL students. Her hobbies include fantasy creative writing, black and white photography, hiking, and music (she plays violin, handbells and sings).
